

Script Bank — 60+ Ready-Made Lines

Knowing what to say is rarely the real problem.

It's how you say it, when you say it, and the energy behind it.

These lines are designed to feel natural, not forced.

Use them to create connection, reinforce standards, and guide behavior without chasing or over-explaining.

Appreciation

- I notice the effort you put in... it doesn't go unnoticed.
 - I felt really taken care of in that moment.
 - I like how you handled that. It felt very grounding.
 - The way you planned that made me feel very considered.
 - I feel safe around you when you lead like that.
 - I don't say this often, but that really impressed me.
 - I respect the way you handled that. It felt very intentional.
 - That kind of effort is rare... I like it.
-

Encouraging Investment

- I love when a man plans things. It makes everything feel more exciting.
- I'm curious what you'd come up with for our next date.
- I enjoy being surprised... when it's done right.
- I feel most feminine when I can just relax and be led.
- I like a man who takes initiative. It stands out.

- Show me what you've got.
 - I'm curious how you would plan something if you really wanted to impress me.
 - I enjoy when a man makes decisions without needing guidance.
-

Boundaries with Grace

- I like spending time with you, but tonight I'm taking time for myself.
 - That doesn't really work for me, but this does...
 - I don't rush things. I prefer to take my time.
 - I'm not available like that, but I'd be open to something more intentional.
 - I'm very selective with my time.
 - That's not something I'm comfortable with.
 - That pace doesn't work for me. I prefer slower.
 - I don't say yes just to be easy.
-

Standards Without Explaining

- I don't do last-minute plans.
 - I don't chase... I respond to effort.
 - I'm not interested in something casual.
 - I don't compete for attention.
 - I like consistency.
 - I move with intention.
 - I don't entertain confusion.
 - I value clarity and direction.
-

Playfulness

- Careful... I might start expecting this from you.
 - You're trying to impress me, aren't you?
 - I like that... don't get too confident though.
 - You're getting points today.
 - I didn't expect that from you... I like it.
 - You're making it hard for me to stay mysterious.
 - You're getting a little too comfortable... I might have to challenge you.
 - I like your effort... keep going.
-

Pullback Energy

- I match energy.
 - I like consistency... so I'll give you space.
 - Let's see where this naturally goes.
 - I'm not here to force anything.
 - I'm good either way.
 - I'll focus on my own things for now.
 - I don't force connections.
 - What flows stays, what doesn't... doesn't.
-

Re-centering Yourself

- I prefer clarity over confusion.
- I don't operate in mixed signals.
- I trust actions more than words.
- I observe before I invest.

- I move based on what I see, not what I hope.
-

Screening Him

- What does your ideal relationship look like?
 - How do you usually plan your time?
 - What do you value most in a woman?
 - What are you building right now?
 - What kind of lifestyle are you working toward?
 - What does consistency look like to you?
 - What kind of man do you see yourself becoming?
 - What does effort look like to you in a relationship?
-

Shutting down Disrespect

- That didn't land well.
 - Try that again, but with respect.
 - I don't respond to that kind of energy.
 - That's not how you speak to me.
 - If that continues, I'll remove myself.
 - That's not something I engage with.
 - Let's keep this respectful.
-

Maintaining Mystery

- You'll find out... eventually.
- I don't reveal everything at once.
- I like leaving a little room for curiosity.

- Not everything needs to be explained.
 - Some things are earned.
-

Final Note

These lines are not about control.

They are about self-respect expressed through language.

A man who is aligned will lean in.

A man who isn't will fall off naturally.

That's the goal.
